

Our Ref: KNH/BAM

7 September 2021

Dear Parent/Carer

INFORMATION REGARDING HOME TESTING

Our Covid lateral testing programme for students' return to the Academy is progressing well. After students have done their second test this week, they will be given two packs of home testing kits. Please can students continue to test twice weekly at home for the foreseeable future.

When you have the test result you should record the test with NHS Track and Trace and also report to the Academy.

You can do this quickly using the links on the Academy website [SKA - report a student test](#).

Alternatively, you can report tests via the links section of Edulink

Should a student test positive, please complete the links above to report the test immediately,

Testing of the family

It is also recommended by the NHS that other members of a household which contains school aged children should also be tested regularly. Information about how to obtain these tests can be found at this link https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff?utm_medium=email&utm_campaign=govuk-notifications&utm_source=ea613183-1a54-4236-bac0-0570aa012311&utm_content=immediately

Families can either collect tests kits from a collection point or order tests for home delivery, please follow this link for information <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Yours sincerely

Miss H Knowles
Principal
