21 September 2021

Dear Parent/Carer

I should like to inform you of The Skinners' Kent Academy intervention offer for our Year 11 students this year. A focused programme of intervention can be hugely beneficial to students working at all grades and is an opportunity to both consolidate learning and work on areas for development. This letter outlines the intervention strategies for Year 11 for Terms 1 and 2.

The majority of teacher-led intervention will be given to English and Maths, in order to ensure that students attain their very best grades possible in these subjects. During this time, there will be further opportunities for other subjects to use our Study Club twice a week, either to direct students or for students who wish to attend. Finally, the Academy has made a significant investment in MyTutor, a remote tutoring programme which uses undergraduate specialists to guide students through a personalised programme.

Term 1 and 2 intervention programme will therefore look like this:

	Intervention	Details
Monday	<b>Study Club 3.20-4.20pm</b>  <b>French teacher-led intervention 3.20-4.20pm</b>	Study Club will be open for any subject to direct students. There will be two Study Clubs being run, each on a Monday and a Thursday: <ul style="list-style-type: none"> <li>One Study Club will be for students who have been directed to attend by their subject teachers. Personalised revision/ intervention work will be provided by subjects.</li> <li>One Study Club will be for students to drop in and revise/ practice extra work voluntarily.</li> </ul> For French students as directed by their teachers. Parents will be notified by the French department.
Tuesday	<b>MyTutor programme 3.15-4.15pm.</b>	Students will be selected by Heads of Subject. There will be a separate communication regarding this if your child has been selected.
Wednesday	<b>English/ Maths teacher-led intervention 3.15-4.15pm</b>	For <b>English/ Maths</b> students as directed by their teachers. Parents will be notified by the English/ Maths department.

		Students will not be expected to attend MyTutor and English/ Maths intervention for the same subject
Thursday	<b>Study Club 3.20-4.20pm</b>	Two Study Clubs as Monday

From Term 3 other subjects will have the opportunity to run teacher-led interventions, while Study Club will continue. The MyTutor programme will be reviewed after November Pre-Public Examinations.

Furthermore, there will be whole/ half day intervention sessions for many subjects later in the year as the exam season approaches, specifically during the Easter and May holidays.

Please support your child by reminding them to attend interventions to which they have been directed and celebrating their attendance and progress. The Academy will be rewarding students who attend regularly.

If you have any questions about how to support your child in this or any other revision, do not hesitate to get in touch.

Kind regards

*Dean Vaughan*
