17 September 2021

Dear Parent/Carer,

As we have now completed our first two full weeks of the new academic year, the PE department are pleased to announce their PE Extracurricular timetable for Terms 1 and 2. The attached document shows all the clubs that are available for every day of the week for all year groups.

Please note the following information:

- Lunch time clubs just require trainers.
- After academy clubs require appropriate, full SKA PE kit and footwear suitable for the sport.
- After academy clubs start at 15:30 and end at 16:30. If there is an away competitive fixture and/or event, the normal time of return is between 5-6pm.
- For any student involved in a competitive sports team, there will be a Class Charts group set up to share all details about fixtures with students and parents/carers.
- These timetables are displayed in tutor rooms.
- There is no cost to participate in any club, it is simply just turn up and #JoinIn

If there are any questions, please ask your son/daughter to speak to their PE teacher who will be able to help.

After the Christmas break, a new schedule will be released with different sports for January – April 2022 and then again following Easter break for April – July 2022.

Yours sincerely

*J Webber*
